

## Gazing through the Eyes of a Scary Halloween Mask

If you've ever been a child who was able to enjoy Halloween, you know that the costumes and especially the masks are part of the fun. What you might not realize, though, is that masks have been a part of every culture since ancient times. They have been used for everything from religious rituals to theater and children's plays. Today, masks are often used at Halloween, or Samhain. They are also used at masquerade balls, many of which also occur at Halloween. They're also popular artifacts to bring back from travel to various countries throughout the world

For some people, when they begin to determine what they would like to dress up as for Halloween, may start with their costume and then go about choosing just the right mask to accentuate their Halloween costume, while others will first choose their Halloween mask and then build their costume around it. Since everyone is different, neither of these choices is better than the other when it comes to choosing a Halloween mask and accessories. In other words, choose your Halloween costume and mask in the manner that best fits your needs.

Halloween masks add both excitement and mystery to your costume while being wonderful accessories. However, while choosing the perfect Halloween mask you should know that some of the most realistic looking ones are the latex masks. When choosing a latex mask you can be just about anything from an alien, animal or insects. You may also choose from a wide assortment of Halloween masks that include your favorite television shows, movies and cartoon characters.

Unless of course you would rather show up in a scary mask while trick or treating, door to door or simply enjoying time with friends and family while carving a Halloween pumpkin, there are so many to choose from. Such as Jason or Freddie masks as well as a large and wonderful assortment of goblins, ghouls, corpses and creepy clowns. Although, we should not forget the classics like Frankenstein, werewolves, zombies, ghosts as well as Presidents, goons, monsters and other masks of mayhem.

What party wouldn't be complete without a witch, wizard, pirate, or princess? Masks are available in all types, including royalty such as kings, princesses, queens, fairies and even angels. Mardi Gras masks continue to be popular year after year. Masks of your favorite singer or band member are also available.

Whatever your taste, you're sure to find a mask that fits you both in size and in preference. Of course, you don't need to be a child to enjoy Halloween; if costumes aren't your speed, simply wear your favorite outfit and don a mask to top it off at your next Halloween party.

You may be interested to know the most popular Halloween masks for children last year were, Princess, Pirates, Witch, Spider-Man, Superman and Disney Princess as well as Power Rangers, Pumpkins, Cats and Vampires. The most popular masks for adults last year were the Witch, Pirate, Vampire, Cat, Clown as well as the Fairy, Gypsy, Superhero, Ghost and Ghoul. This means that there is a wide variety of choices on the market when considering a Halloween mask and accessories. However, you should also keep in mind that if you wait too long that all the great Halloween masks will be picked over quickly, so if you are in the mood for celebrating Halloween by wearing a mask, you should start early.
